Career Objective:

Versatile Full Stack Developer Specializing in Front End and Node.js REST API Development.

To acquire the challenging position where my creativity, Energy, management skills, in a manner that improves the quality of the software and experience can be applied with new learning experience.

Skills:

- I have experience on Html5-CSS3, bootstrap, JavaScript, jQuery, React JS, GitHub, Figma, HTML, XML, Responsive web design, Open CMS, PHP, MySQL Database Connection, Node JS, express JS, Mongo DB, WordPress, Photoshop, Dreamweaver.
- Good communication and management skills.

Work Experience:

- **Senior Front-end Developer in Designqandy. (April 2022 to current)**

- **Job Responsibilities:** - At Designqandy, I serve as a Senior Front-end Developer, specializing in HTML5, CSS3 and React JS websites. My primary responsibilities include editing existing websites, working on the CRM UI, creating new websites, and updating them regularly. I design website UI using Bootstrap and incorporate various jQuery effects to enhance user experience.

- **2 years as Senior Front-end Developer in FTV.LTD. (July 2020 to March 2022)**

- **Job Responsibilities:** - As a Senior Front-end Developer at FTV.LTD, I was responsible for playing a key role in creating new websites and ensuring regular updates. My expertise lies in designing website UI using Bootstrap and implementing various jQuery effects to create dynamic and interactive web pages.

- **4 years as Senior Web Designer in SOTC Pvt. Ltd. (March 2016 to June 2020)**

- **Job Responsibilities:** - During my tenure at SOTC Pvt. Ltd, I served as a Senior Web Designer, where I was instrumental in creating and updating websites regularly. I designed website UI using Bootstrap and incorporated different jQuery effects to enhance the visual appeal and functionality. Additionally, I designed HTML5 animated banners using Google Web Designer Tool and executed various digital advertising campaigns in collaboration with internal stakeholders.

- **3 years as Web Designer & Developer in Xeco Marketing Pvt. Ltd. (June 2013 to March 2016)**

- **Job Responsibilities:** - At Xeco Marketing Pvt. Ltd, I worked as a Web Designer, focusing on updating websites with new banners and innovative formats. I created new pages with innovative designs and implemented new jQuery effects for templates. I also developed new microsites to support various marketing initiatives.

- **1 year as teacher in Edit institution for HTML, CSS, XML, Dreamweaver**

(March 2012 to June 2013)

- **Job Responsibilities:** - As a teacher at Edit Institution, I imparted technical knowledge on software tools like Photoshop, Flash, jQuery, Dreamweaver, and Hemlocks. My role involved educating students on HTML, CSS, XML, and Dreamweaver, ensuring a solid foundation in web development and design principles.

Educational Qualification:

- Passed B.COM. From Karnataka University in year 2011.
- Passed HSC from Delhi University in year 2008.
- Passed SSC from Maharashtra State Board in year 2005
- Completed Digital Animation, Web Designing course from EDIT institution, Thane in year 2009
